We do not need St. Anthony High School Graduation group photos.

## PREPARING YOUR SUBMISSION

- Please mark your photos with your name so they can be returned to you.
- Provide as much information as you can about the photo (ex: the year the photo was taken, the people in the photo, etc.)
- After they are copied, photos will be put in a folder with your name on it and will be available for pick-up at the St. Anthony Parish Office.
- Please submit materials by Labor Day, September 3 2018.
