

# February

The month of January seems to have passed in the blink of an eye. It is hard to believe we are already turning the calendar pages to February. Hoping beautiful days will be in our future as we look forward to February. We will be celebrating Valentine's Day in February. We will be discussing love for one another as well as God's love for each of us. For our winter field trip we will be welcoming local dental hygiene students into our classroom. Learning to write our first names will be a big part of our time together. The children are doing a great job identifying their names. Take a few extra minutes a day and talk to your child about what letters are in his/her name. If you are practicing writing names at home please remind your child to use lowercase letters except at the beginning. Registration for the 2022-2023 school year will begin on January 31. Please check the included registration calendar to see how registration will progress. Be sure to save your spot by returning your registration form and fee as soon as possible as classes fill up quickly.

Things to work on:

Color Recognition

Shape Recognition

Number Recognition

Cutting Skills

Coloring Skills

Tracing Skills

Identifying the Letters in First Name

What we are learning

Numbers : 8 & 9

Color: Pink

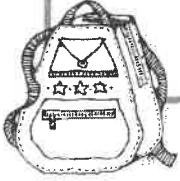

Shape: Heart

Skill: Writing First Name

Theme: Healthy Habits

## Dressing Skills

We do ask that you encourage your child's independence in putting on winter gear and backpacks. We are encouraging it and taking a few extra minutes in our day so that the students can become successful in this area. They just beam with pride when they are able to independently get coats, gloves, hats and backpacks on.

## Valentine's Day Party

We will be celebrating Valentine's Day with a party on Thursday, February 10. I am asking that all children bring Valentines for each one of their preschool friends. Valentines will not be individually addressed to certain students. We have 15 students in the class so please make sure you send enough Valentines for everyone.

## 2022-2023 Registration

Registration for the 2022-2023 school year will begin on Monday, January 31. Registration will be open to current preschool families on that date. If you would like to enroll for next year please return the registration form and fee as soon as possible. You will find registration forms included in your child's red folder on Friday, January 28. If you have a younger child that you would like to enroll in the program this would be the time to register him/her, as well. Please be sure to use the included registration form only for current students and their siblings. Your spot will be reserved once the proper registration form and fee are received. If you would like to recommend our program to someone else, registration will be open to parish/school families beginning February 14. Registration will open to the general public beginning February 28. I believe the best form of advertising is word of mouth! So please tell your friends about our program and invite them to attend our Open House on Thursday, February 10 from 4:00—7:00 p.m.

# February <sup>3 yr.</sup>

Monday	Tuesday	Wednesday	Thursday	Friday
	1	2	3	4
7	8 *Mia Niebrugge	9	10 Valentine's Day Party	11
14	15 Library Day	16	17 Pink Day	18
21	22	23	24	25
