

MARCH

may your
day be filled
with sunshine!
3 yr.

It is hard to believe that we only have a little over two months of preschool left. It seems like just yesterday we were starting our learning adventure together. During the month of March we will continue working on writing first names. If you get a chance, have your child show you what he/she has accomplished. Our theme for this month will be Spring. We will continue working on cutting and tracing and developing our fine motor skills. Just a reminder that registration has begun for the 2019-2020 school year. If you know of anyone who may be interested in our program, please have them contact the grade school office.
