

May

It is hard to believe that the end of school is upon us. It seems like the first day of school was just yesterday. Seeing the children grow over the past 8 months has been a true joy. They have all worked so hard over this past year. We are very proud of each and everyone of them. I hope that you all have had a great preschool experience this year. Every single student has a very special place in our hearts.

We will be celebrating the last day of preschool on Tuesday, May 10th with a "Day of Fun" at preschool. Each child will be receiving a scrapbook of the school year along with an assessment card on the last day. I hope that everyone has a wonderful summer and I am looking forward to seeing you in four year old preschool next school year.

Thank You

We would like to thank you for all of your support!

We are so very thankful for our amazing families!

Please practice names, numbers, and letters over the summer months!

Here are a few ways to make it fun while keeping those skills fresh!

- Write names with sidewalk chalk
- Fill up water balloons write numbers or letters on them, have your child say the name of the number or letter before tossing
- Use a stick to write numbers, name, and letters in the sand at a beach
- Hide objects in a bucket of Orbeez, shaving cream or slime for some sensory outdoor fun; while having your child find and count how many items were hidden!

Most importantly have fun and keep on learning!
