

Looking for ways to practice alphabet and sound recognition at home?

Use these alphabet cards to play games at home. Here are just a few ways to utilize them at home.

- Cut them apart and use them in a game of memory with upper and lower case matching.
- Use them as flash cards. Lay 6 out at a time and ask your child to name or point to a certain letter.
- Tape them up around the house and have your child hunt for them! Be a letter detective.

These are just a few ways to have fun while encouraging letter recognition at home!

Thank you , Ms. Renee
