CATHOLIC SCHOOLS WEEK
2019
Jan. 27 - Feb. 2

Catholic Schools

St. Anthony of Padua
101 E Virginia Ave, Effingham, IL
217-347-7129
This Sunday marks the beginning of Catholic Schools Week nationwide. One of the things I personally love about Catholic Schools Week is the extra attention we seem to put on celebrating our students. And rightly so!

When I reflect back on my own upbringing, first and foremost is my parents, but also my broader family and community of St. Michael Parish and Grade School, I see we were all taught of God's love that so often surpasses our own understanding. That same hope existed then and still does today in Effingham, Shumway and all over the world. I am so thankful to all those that saw a good future for our Church and cared enough to help form us.

In my specific vocation as a Catholic high school principal, I get to see the tremendous things high school students are doing and how they live their faith. Sure, they have their challenges. We all do! But the amount of times our students say "yes" to doing what is good and right is truly remarkable. They so often say "yes" to our Lord in spite of the temptations our world today places upon them.

I get to see young people today drawn to the beauty, love and joy that comes with a relationship with Jesus Christ. The effort and energy placed on forming youth today is so worth it. We do this because of an optimism of what is to come. People are praying for students for an increase in virtue, and for their protection. Thank you! Seeing students live virtuous lives is so inspirational and this doesn't happen without the support of our parish families! Your continued support and prayers will help our youth survive and even thrive during their teenage years and be more ordered toward the eternal reward of Heaven!

- Greg Fearday, Principal at St. Anthony High School

Luminaries for Life
Jan. 26 and 27
The front steps of our church are filled with luminaries this weekend (weather permitting) to commemorate the tragic court decision that legalized abortion in the U.S. Every year, over 920,000 children die from abortion in the US – it’s the leading cause of death! It seems impossible to grasp the enormity of this heartbreak. As you view the luminaries, consider that their number illustrates the number of abortions done every 3 hours in the US.

Be sure to visit the lighted display on the evenings of January 26 & 27. Students from St. Anthony and Sacred Heart parishes created these luminaries with a prayer on the backside. Please join your prayers with theirs and ask God to help all mothers and fathers tempted by abortion.

In the event of bad weather, the display will be held the following weekend.
