Padre’s point of view . . .

Lead us not into temptation and deliver us from evil. Amen.

God does allow us to be tempted. When we are tempted, we are strengthened when we turn back to Him. The average adult makes 35,000 decisions a day. Many of these are either to avoid sin and evil or to give into sin and evil. God, we pray that you do not put us to the test. We are weak and are in need of your every grace. Help us to avoid all sin and evil and keep us under your Divine Love. Amen.

Fr. Chris will be in the St. Anthony Church office on Tuesdays and Thursdays.
He will be in the Sacred Heart Church office on Wednesdays and Fridays.

**Pro-Life Corner**

**Good News! Mexico City Policy Restored** "We applaud President Trump's action today to restore the Mexico City Policy, which withholds taxpayer funds from foreign non-governmental organizations that promote or perform abortions overseas (often in violation of the host country's own laws). This is a welcome step toward restoring and enforcing important federal policies that respect the most fundamental human right—the right to life—as well as the long-standing, bi-partisan consensus against forcing Americans to participate in the violent act of abortion." Cardinal Timothy Dolan, USCCB Pro-Life Chairman, 1/23/17

**BE a VOICE for the VOICELESS!** Please join us for our next Pro-Life Group meeting. We will be viewing a documentary on physician-assisted suicide and discussing what we can do to prepare for the upcoming introduction of this legislation in Illinois. All are invited. Questions? Parish School of Religion News
Seventh graders discuss the big issues at PSR!
The Effingham PSR program is blessed to have had Terri Petersen teaching the seventh grade for the last nine years (following many years involved in youth ministry). Gifted with spiritual sensitivity, Terri does great work with her 14 regularly attending students. Terri uses the Gospel Weeklies booklets to go over and discuss the upcoming Sunday’s Mass readings. She is not afraid to address, in an honest, realistic, and always Catholic manner, the students’ wide-ranging comments and questions. Terri considers her class to be a “how to” class on being Catholic—covering everything from the meaning of Catholic liturgy, to doing actual service work in the community, to dealing with the real life issues and challenges junior high students face every day at school and at home.

For Advent, she invited her son-in-law Michael Mette and his wife Michelle to lead the students in a mini-retreat. Michael and Michelle, from St Anthony Parish and former Sacred Heart youth ministers, have spent the last three years travelling around the country doing Catholic performance ministry (a blend of music, technology, and testimony). They talked to the seventh graders about listening to God, focusing on how to “hear” God’s voice in circumstances, through other people, and in harmony with the Church’s teachings. This fit in perfectly with Terri’s focus on connecting the purpose and meaning of our faith with the ordinary practice of our faith, as well as countering the often hostile influences of our secular culture.
