** Denotes Graduation from other High Schools*

The other night I took a drive out to both St. Anthony Cemetery and St. Mary's Cemetery to drive through and remember our former parish members who have been welcomed into their eternal home in heaven. I try to drive through each week. It has led me to want to write this bulletin in a spirit of thanksgiving.

Every time I drive out to or past St. Mary's Church in Shumway on my way to Springfield I can't help but notice how nicely kept our parish and cemetery grounds are. I drive every day by our two schools at St. Anthony and live here at the parish and I certainly notice the same for the St. Anthony parish, school, and cemetery properties.

Recently many folks have given much time and energy to getting the Shumway parish rectory all in order. They too have really given their heart and soul to make the rectory a very nice home. Soon after Fr. Mark arrives I know both he and I will take advantage of this "get away" place to relax and have some time alone for prayer, reflection, and rest on our day off.

How proud (in the good sense) are we of our parish grounds, buildings, and especially our two wonderful churches where we gather to encounter Christ at the mass, in word and sacrament? When I look at pictures of some of our mission churches in Haiti and Africa I realize how blessed we are to gather in such beautiful, sacred houses of prayer. I too also am amazed at the pride of those who love and have great affection for their churches in our missionary lands like Haiti, and Africa.

I want to personally take this opportunity to say a great big

THANK YOU to each and every generous and caring steward who helps keep our parishes and schools and their grounds looking so nice and beautiful. As you see them at work (doing their ministry) take time to thank them as well.

Happy Birthday this weekend we celebrate the great Feast of Pentecost. What a marvelous gift we have in the Father & Son together chose to send the Holy Spirit upon the apostles, locked in their room. This gift, this power, finally gave them all the gifts, courage, and conviction to unlock the chains that held them bound, as they broke open those doors and they went out to boldly proclaim the Gospel of the Living Christ. The Church began on that first and great Pentecost day. Now one thousand nine hundred and eighty four (1,984) years later, WE ARE THE CHURCH. We, like the apostles, have been entrusted the church to care for and lead her people to growth and holy boldness, not a church satisfied with just a spirit of maintenance.

As we look around and see so many folks "taking care" of our church and properties, along with those who care for the spirituality of our people, may they inspire us to ask as the song says, "What do you want of me Lord"? "Where do you want me to serve you"? Then using my God given talents I respond "Here I am, I come to do your Will".

I noticed in our bulletin last week we will need and are looking for two couples (& their families) to be our next "Picnic Dinner Chairpersons". How long will it be for two great couples or singles to come forth and "answer the call"? I truly believe it will happen soon, for I trust in our good folks to step forward. We are also looking for great energetic, inspired parishioners to become new members of our Pastoral Council. Call me or Michael Wall soon to ask about this ministry of "pastoring" our parish.

God Bless our Church on this great Feast. Come Holy Spirit, Come !!!

- Peace, Fr. Chuck

Budget for 2018-19: Currently we are working hard to produce the new budget for the upcoming Fiscal year. For the past few years we have not produced a balanced budget. This year we are trying to make this happen. Recently we have had a reduction in work force, eliminating the position of Pastoral Associate, which was held by Mr. John Valenti. The areas of ministry from this former position will be covered by our two priests, two deacons, support staff, and with the help of many who are already serving in these ministerial outreaches.

Parish Directory Update

We expect our parish directory to be completed and available at our parish picnic in August. Completion of the directory is being moved from our original date of June (Feast of St. Anthony) to August, due to the transition of Pastors in our parish.

Water for Life

Every day we have the pleasure to be able to walk to our sink and get a drink of water. Can you imagine not having running water, not having access to such a simple thing as quenching our thirst let alone bathing or having clean clothes? Many people do not.

This month we have a chance to change that. Springfield Diocese sponsors a "Water for Life" program every spring. Our parish supports their efforts through Catholic Relief Service program for clean water. In 2017, 8 million people were served through this program; 62 health and sanitation projects were formed; and 32 countries hosted CRS water and sanitation projects.

On May 26th and 27th we will take up a second collection to help support Catholic Relief Services efforts. Thank you for your generosity in advance.

Pro-Life Corner

Voters in Hawaii recently legalized physician-assisted suicide, making them the 6th state to legalize this dangerous practice. It is likely a similar law will be proposed in Illinois in the coming months. Now is the time to get educated on this issue.

Most Catholics know the Church vigorously defends life until natural death. How many have taken the time to understand why? Without that understanding, it's easy to be influenced by the culture that surrounds us and bombards us with the idea that we should do whatever "feels" right. Don't be deceived by the culture! Fortify your beliefs on the solid foundation of Catholic Church teaching.

Start your research by visiting www.usccb.org/toliveeachday, or search "USCCB assisted suicide."

The 2018 Diocesan Adult Enrichment Conference (DAEC) will be held this year on Sunday, September 30 and Monday, October 1 at the Decatur Conference Center and Hotel, Decatur, Illinois.
