Then there appeared to them tongues as of fire, which parted and came to rest on each one of them. And they were all filled with the Holy Spirit...

Padre's point of view . . .

This past year as Pastor and Superintendent of three Catholic schools, I have marveled at the gifts of Catholic education. Three valedictorians in the area stand out because of the gift of Catholic education. At St. Anthony High School, Madeline McDevitt gave an inspiring valedictorian speech in which she quoted Mother Teresa. One of the EHS valedictorians, Victoria Sims is a graduate of Sacred Heart Grade School. Altamont High School valedictorian, Maria Kuhns, is also a Sacred Heart Grade School graduate. These three are among the 743 students who have been blessed by Catholic education because of our continued love and sacrifice. It costs \$6,000 at Sacred Heart Grade School to educate one student. Tuition charged at Sacred Heart Grade School is \$2,895 for one student. At St. Anthony Grade School it cost \$5,425 to educate one student and at St. Anthony High School it cost \$7,830 to educate one student. At St. Anthony Grade School tuition for one student is \$2,979 and at St. Anthony High School tuition is \$3,870 for one student. We continue to contribute the difference to make Catholic education possible for our students. Thank you for making our faith the center of their school lives.

Fr. Chris will be in the St. Anthony Church office on Tuesdays and Thursdays.
He will be in the Sacred Heart Church office on Wednesdays and Fridays.

Pro-Life Corner

End-of-Life Issues: *Pain Management*

Modern medical care has become increasingly skillful in the area of pain relief. Our Church teaches that patients must be kept as free of pain as possible, so that they may die comfortably. This is part of our Christian obligation to be charitable and to love our neighbor. Even pain medications that may indirectly shorten a person's life are morally permissible, as long as the intent is to alleviate pain and not to hasten death. (catholicendoflife.org)
