Padre's point of view . . .

Rule #16...Love till it hurts and keep loving.

Our model for this rule is Jesus Christ who gave everything before he died on the cross. Then when he was dead he kept giving of himself, blood and water poured forth from his side. The blood he gave is the Holy Eucharist and the water is the life giving waters of Baptism. These two Sacraments show his complete gift of love to us. We are asked by God to do the same. For example, at the end of a work day when you're home and the kids are demanding your attention and you've run out of patience we are asked by God to keep loving. We do this many times a day.

Fr. Chris will be in the St. Anthony Church office on Tuesdays and Thursdays.
He will be in the Sacred Heart Church office on Wednesdays and Fridays.

Dear Friends, As my time in Effingham comes to a close, I wanted to say thank you for your great welcome and great witness to our Catholic Faith. My time here was short, but it was very blessed. I will head home this coming week for some time with my family and then spend the remainder of my summer on retreat (30 days of silence!). Thank you again, I'm not able to express how much I appreciate the opportunity to spend time at Sacred Heart, Saint Anthony's, and Saint Mary's and how blessed I feel to be pursuing priesthood for the Diocese of Springfield. Please keep me and all of our seminarians in your prayers and know that we are praying for you as well. God bless you, Rob Johnson

Seminarian Cody Sandschafer: Next Year

Over the past few years I have been discerning religious life. Throughout this year I have felt a particular call to discern the Jesuits, also known as the Society of Jesus. The Jesuits are an order founded by St. Ignatius of Loyola in the year 1534 and Pope Francis is himself a Jesuit. I am discerning the order through living and working with a Jesuit community on an Indian Reservation called Pine Ridge which is located in Southwest South Dakota. During this year I will be teaching math to 6th, 7th, and 8th grade, driving a bus, and helping out with wrestling at the local Jesuit school. Hopefully after the next year I will know if God is calling me forward into novitiate with the Jesuits or back to the diocese of Springfield. I ask for your continual prayers and support as I discern over this next year
