Welcome
We extend a warm welcome to all our guests and visitors who have joined us at today’s liturgy. We hope that you feel at home here. Please let us know if we can be of any assistance while you are among us.
It is with great joy and my heart filled with gratitude for your hospitality and patience that I greet you today. The time has come for me to start this new apostleship in music as the Music Director of St. Anthony Parish. It has been God’s will to have gotten this employment as well as successfully obtaining the necessary documentation to reside and legally work in the United States.

Thank you Fr. Chuck Edwards, thank you Mrs. Irene Koester, and thank you community of St. Anthony for your trust and your help during this very long waiting process. I pray I will be able to perform my duties effectively, with a humble heart and a fervent spirit.

The gift of music is one that we all share and have experienced in our lives one way or another, and it truly is my privilege to have been given this position of director of music of this parish, and to be part of this faithful community, compromised to do good unto others. My mission as a daughter of God is to multiply the gifts that God has entrusted me, as well as be a living witness of His infinite love.

It is my wish, on a short-term basis, to continue with the valuable work that Mrs. Irene Koester has passed on to me, such as keeping the congregation encouraged to join in singing and praising the Lord through music. Also, I wish to spend most of my time getting acquainted with the generous and talented musicians of our parish, whom we are so thankful for. It is my wish to work together to deliver our musical prayer with love and confidence.

With the intercession of the Holy Virgin Mary and the Holy Spirit (forever my muse), I have my mind and my heart set on working constructively to make the music department of St. Anthony a solid evangelizing instrument, through the enhancement of our choir groups and reflective interpretation from our cantors and accompanists, and through harmony among parishioners. As the great Johann Sebastian Bach said: “SOLI DEO GLORIA” - to the Glory of God alone!

Music Director, St. Anthony of Padua

The 2020 Mass Intention Book

On Monday, July 15th, 2019 the Mass Intention book for 2020 will be ready for those wanting to schedule Masses. There will be one intention scheduled for each Mass, and two Masses each week where we can schedule up to ten intentions. Mass intentions will be limited to 5 per family each year, of which only one can be scheduled on a weekend. The parish office is open from 9am to 4pm, Monday thru Friday.
Sunday Morning Coffee & Donuts
Please join us!! On Sunday, July 7th after the 9:15am Mass, for coffee & donuts in the parish center. Donuts, coffee, juice, and milk will be served by the Dynamic Dads group. The parish will gather the first weekend of each month for Coffee & Donuts. A free will offering will be taken.

The Table Of Plenty
July Table of Plenty donations will be accepted during the weekend masses on July 6th & 7th. Catholic Charities is in need of instant potatoes, pancake mix and canned peas. Please place your donations in the baskets near the altar at church. If you can't make it to church on this particular weekend, feel free to leave your donation in the ushers closet located inside the entrance on the right side of the main doors. Thank you in advance for your generosity! God Bless!

### Marriage Encounter

Are you thinking about your summer vacation? A Worldwide Marriage Encounter weekend, away from all the distractions and pressures in your life right now, would be the BEST vacation of your life. You and your spouse will always remember this WWME Weekend away as a great time together that strengthened your marriage. The next weekends are Aug. 9-11 or Sep. 27-29, 2019 at the Courtyard Marriot in St. Peters, MO. If you would like to apply or get more information, go to https://stl-wwme.org/schedule.php or call 314.649.7317.

### Sport Physical Opportunities

All 6th -12th graders who plan to participate/practice in any sport, including cheer and dance, will need a physical before they are permitted to engage in the activity. Sports physicals will NOT be offered to 6th and 9th graders, as those students must have a completed physician’s physical, along with updated immunization records. Parental signatures are needed on these forms.

**IMPORTANT -** Please make sure the proper physical forms (which can be found in the TeacherEase digital locker) are completed before attending these clinics.

- **Altamont Medical Center** (5 E Cumberland Rd, Altamont)

Please turn forms into the high school office. If you have any questions, please contact Kevin Palmer, kpalm-er@stanthony.com, or Gigi Behl, gbehl@stanthony.com

### Pro-Life Corner

Religious freedom is much more than being able to attend Mass. Here’s what the US Conference of Catholic Bishops say about it:

“Religious freedom gives us the space to carry out the mission that Jesus has entrusted to the Church. Religious freedom means that Catholics, and all people of goodwill, are free to seek the truth and to live in accordance with that truth, and so to strengthen our common life as a nation.”

### Church Cleaning for July

Cleaning is done Saturday morning from 8:30-9:30. If you are unable to clean, please call a replacement.

Recycling News in Effingham County

There have been a number of big changes in the recycling world, both locally and globally and we would like to give you an update as to what can be recycled in Effingham County.

Globally, a number of countries previously bought bales of recycled plastics and the quality of those bales were not very good. They allowed contamination of 15 to 20% and still accepted the plastics. Therefore, a lot of undesirable plastics were included in the bales which made the plastic less useful to create something new. The countries who bought these bales and especially China stopped buying and therefore, the market for non-pure plastics dried up and left us with contaminated plastic bales with no place to go. Going forward, CLEAN and SORTED plastics are the only plastics to be accepted. The contamination rate on what can be accepted is .05 or ½ of 1% which is extremely low so we have to take great care in our recycling habits.

Locally our recycling options and locations have shrunk drastically. Teutopolis stopped all recycling except the paper depot where they will accept newspaper and newspaper slicks. The slicks need to be SEPARATED from the newspapers and put in a different bin. They also accept shredded paper, but please dump shreds into the bottom of the boxes and not on top where it causes a big mess. Please be respectful of the volunteers helping by keeping the recycling locations clean. It if is not accepted - DO NOT LEAVE IT!

Centenary Methodist Church in Effingham is the only location that accepts plastics and it is VERY limited on what is accepted currently. They will accept # 1 CLEAR (not colored) plastic and #2 translucent (NOT WHITE) milk jugs. You must be able to see the milk through the jug to recycle it. Clean means to RINSE out the milk, water, soda, juice from the containers. If you don't do this, your recycling will be useless and contaminate the rest of the plastics that other people carefully sorted. If you put your recyclables into plastic bags, REMOVE them from the bags and take the bag with you.

Centenary also accepts CLEAN CORRUGATED cardboard - think Amazon boxes. This does NOT include cereal, cracker or thin boxes which is really paper fiber. Unfortunately that goes to the landfill. Also, greasy pizza boxes will contaminate the whole pile. Throw those away - again for all the recyclables, think CLEAN.

Aluminum & Tin are accepted at Davis, McMahon and T& T. Currently Menards are taking batteries, the Chamber of Commerce takes Ink cartridges, and Sehy & Jones take eyeglasses.

We are working to be able to recycle more items and have more locations and need the support of the county government. If you are interested, please contact your local county board member and let them know you support better recycling and education services. Here’s a link to the voting district maps so you can see who your representative is: http://www.elections.il.gov/precinctmaps/Effingham/map.pdf

In the meantime, please CLEAN and SEPARATE and only bring what is accepted. Do not leave your trash. Thank you for reading this and we appreciate your cooperation and dedication to recycling.

Diocesan Collections
Thank you to everyone who has joined us in our A Time to Build campaign. As of Monday, July 1st, 2019, we have received more than $991,951 in pledged donations. $603,882 in cash has been collected from those pledges. We are now able to take the construction plans out for bid. All gifts, no matter how small or large, are welcome. Gifts may be pledged over a three year period. Gifts of cash, stock, and other tax deferred gifts are accepted. Help us reach our goal!

https://stanthony.com/church/giving/time-build-campaign

WE REACHED OUR GOAL!
The St. Anthony Schools Annual Fund has a goal of $333,000. Reaching this goal is a true testament to the quality of the gift Catholic education is in this parish and community. Because of you, we can continue to do great things for the faith and knowledge of our students!

As of June 30, 2019
- $333,000 Goal for 2018-2019
- $333,551 Total Pledges
- $333,259 Total Gifts Rcvd
- 312 Total Gifts
- 112 $1,000 Challenge Gifts

Thank you to everyone who has Made a Difference in St. Anthony Schools

St. Francis of Assisi Parish Picnic will be held on Sunday, July 13, 2019. Pork Loin/Ham meal will be served from 3:00pm to 8:00pm. Country crafts, games, and entertainment for all ages. Something for everyone! Take a chance on winning the big cash prize, plus a number of other prizes.
Building & Maintenance Projects

We have devoted the past several years to developing a 5-10 year rolling plan for major projects. With this plan in place, our pastor, along with the finance council, can properly budget for necessary updates and repairs. As an example, we replaced the high school HVAC for $83,000 along with the campus-wide phone system for $27,000 in 2018 without asking for additional parish donations. We have also begun increasing maintenance costs in our annual budget to accommodate our 20-year old parish center.

To support our long-range plan, the following projects have been included in our A Time to Build campaign.

<tr>
<td>Asphalt parking lots should be resealed and restriped every 3 to 5 years with resurfacing every 15-20 years. We have asphalt lots in the main parking lot of the church/parish center, in both lots at the high school, and in the teachers’ lots at the grade school. The last reseal &amp; restripe was completed in 2014. In the parish parking lot, we are going to address the large cracks that have formed over the years. At the high school, two areas within the lots are crumbling and breaking down. Those areas will be resurfaced. All lots, including the grade school, will be resealed.</td>

<td>The HVAC system for the church is located in 3 areas of the church. The first system is located under the rectory garage and services the west section of church. This system was replaced in 2015. The second system is located in the crawlspace on the northeast corner of church and services the east section of church. This system is around 25 years old. The third system is located on the back wall of the choir loft. One unit in this area services the back section of church and the other unit services the choir loft. These systems are around 25 years old. We will be replacing the units on the east side of church and in the choir loft. While replacing these units, we will also make adjustments to the air vents in the east and west corners at the front of church to prevent air from flowing directly on the front few pews.</td>

<tr>
<td>Electronic key FOB &amp; Security for the Church and Rectory</td>
<td>2020</td>
<td>$25,000</td>
</tr>
<tr>
<td>Our campus-wide building security is maintained by an electronic key FOB system that replaces a traditional key/lock system. Key FOBs allow users access to specific doors at each of the buildings during designated times of the day and week. It also allows for buildings to automatically be locked down during designated times of the day or week. The key FOB system tracks individuals as they enter the building and keeps logs of activity. With the building of the new rectory, a key FOB system will be installed. The church is the final building to be converted to our key FOB system. Installing this system will be an added layer of security for our church.</td>
<td></td>
<td></td>
</tr>
</tbody>
</table>

Should we exceed our campaign goal, we are prepared to place the additional funds in a restricted account for parish and school projects that are scheduled over the next few years. Upcoming projects would include replacing the parish center roof which was installed in 2000, purchasing a half-ton truck with a snow blade to replace our maintenance staff’s existing 16-year old pick-up truck, considering outdoor security cameras at the schools and church, and potentially replacing the grade school’s 10-year old roof that continues to have troubles despite a manufacturer product settlement. These are the bigger projects on the list over the next 5-10 years.
Campaign Progress

Thank you to all those that have made a contribution towards our A Time to Build Campaign. Your early pledges have helped us reach our first goal!

We continue to invite parishioners to make a pledge so we may successfully reach our $1.1 Million campaign goal by September 1, 2019.

We ask each parish family to participate in our campaign. An active commitment by every parishioner will help us provide a home for St. Anthony priests.

Please continue to pray for guidance, for the success of the campaign, for the safety of our workers, and for the construction.
