Welcome

We extend a warm welcome to all our guests and visitors who have joined us at today's liturgy. We hope that you feel at home here. Please let us know if we can be of any assistance while you are among us.

Padre's point of view . . .

"Don't let your sin, shame, or sinful habits keep you from God and praying to Him" When we sin, we think that we are not worthy to speak to God. We also worry that He is not listening. Shame will try to keep us from praying. We actually need the opposite. We need to be open to God and we need to speak with Him and share our struggles. We need to pray. This keeps the door open and promotes true Reconciliation. Don't let shame keep you from loving the God who loves you!

Fr. Chris will be in the St. Anthony Church office on Tuesdays and Thursdays.

Have you been thinking about becoming Catholic?

A new session of Rites of Christian Initiation for Adults (RCIA) will begin in September. Perhaps you, someone in your family, or a friend or co-worker have been thinking about the Catholic faith and would like to learn more. We invite you to call the parish office at 347-7129 for more information. We also encourage all parishioners to pray for those who are being called to learn more about the Catholic faith. Each prayer can be a lever to prompt others to listen to a personal call to deepen and experience their faith journey. If you know of someone who may need asking, call the parish office so we may extend an invitation.

We would like the aides to be at least Jr.High or High School age. This is an easy way to earn some service hours because you can help as many Sundays as you would like!

New for 2015-16

Thanks in part to the enormous success of our preschool, our kindergarten class for this year required that we expand into a third homeroom. We are welcoming Miss Samantha Zerrusen to SAGS as the new kindergarten teacher. She's an Effingham native and a new Millikin University graduate. Also new to our staff this year is Cheryle Goldstein. She is the mother of first-grader, Holly. In addition to all of her volunteer time at SAGS, Mrs. Goldstein will be taking on the role of lunchroom supervisor.

We've shuffled some of the classroom around within the building to accommodate the new kindergarten room. Preschool has now moved to the end of the primary hallway, where kindergarten was previously. Kindergarten is now at the opposite end of that hallway, closest to the restrooms and the library.

We had such great success with the implementation of 1:1 iPad devices with our junior high students last year, that this year, we brought it to fifth grade as well. Students have their math books on the device in addition to utilizing them for research and reading.

Blessings in a backpack

We invite you to attend our special packing session on Wednesday, September 16th at 5:30p.m. at Total Quality Warehouse, 1101 Stevens Ave, Effingham. This night will be an opportunity to see how the food is stored, packed in bags and sent out to the schools. Light appetizers and refreshments will be served. Other distinguished members of the community, business leaders, and representatives of the press are also invited to this event. We appreciate your significant contributions to helping children in our community and look forward to the opportunity to thank you in person.

If you are available to take part in our Blessings in a Backpack Day packing session, please RSVP to us at effinghambackpack@gmail.com. Thank you for taking the time to consider our request.
