Padre’s point of view . . .

Take what is given and don’t make it better, but make it extraordinary. You have heard the saying, if God or life gives you lemons, make lemonade. Lemonade needs more than lemons. Add sugar, water and more sugar. So if God or life gives you lemons, look for the sugar and water, it will be close by. I think to make extraordinary lemonade, it takes hard work using the tools and gifts that we have within our grasp. This is true with anything in life. Sometimes we get stuck and can only see the negative. To make a change we may need to: get out and talk to someone about it or be the positive change you are looking for and start fresh. Everyday is a new day and new opportunity to see God and follow where he leads.
