Welcome
We extend a warm welcome to all our guests and visitors who have joined us at today’s liturgy. We hope that you feel at home here. Please let us know if we can be of any assistance while you are among us.
It is that time of year when we look at the Annual Catholic Services Appeal. Please know that if you give directly to the Diocese we will not be taxed on your gift. Any donation you give to the schools isn’t taxed by the Diocese either. This is why I encourage you to give large gifts to the Annual School Fund. The Diocese reported that we owe $176,109 this year. We are inquiring with the Diocese why our ACSA increased so much from last year’s $115,435. We will dispute this if need be.

Over the coming months, a section of the bulletin will be devoted to providing information about our plans to update the rectory. Look to this column or to our website at stanthony.com/church/giving/living-stones-campaign for regular updates.

In May 2016, Fr. Chris formed a committee to study the physical structure of the rectory and determine the needs of the building. This committee is comprised of parishioners who are engineers or experts in construction, plus parish employees that work in or with the rectory on a regular basis. This committee has spent the last year and a half researching options. Now that their research is finished, we will devote this column to sharing facts and figures.

Did you know the current rectory was built in 1951 and is the 3rd rectory built for our parish? The previous rectory was 66 years old when it was torn down to put up the current building.

One of the issues our current rectory faces is a leaking roof in multiple areas. The roof is flat in some areas and shingled in others. All sections of the roof are dated. As you drive by, you can see where the shingles are patched. The flat roofs have been patched and tarred over the years too. Multiple leaks in the roof have created compounded water issues in the home. Stay tuned for more information next week…

Rectory tours will be available Wednesday, October 4 at 6:00 pm. We will start in the parish center.

Beginning on Sun. Sept. 24th during 9:15 Mass. This program is designed for children in preschool-kindergarten. Before the Liturgy of the Word, Father will invite the children to come forward. We will take them into the Parish Center for a lesson about the gospel message that is presented in words that they can understand. The lessons will include a story, songs, and a short activity. When we are finished, the children will return to church to finish the rest of the Mass with you. If your child is reluctant to come up, you are welcome to join us. We can always use more teachers and aides. Please call Teri Calhoon @ 342-2249, if you would like to volunteer or have questions about the program.
