25th Sunday in Ordinary Time

Our readings this weekend continue to remind us of the importance of priorities in our lives. We are nudge intentionally in the Gospel of things we tend to get attached to and perhaps need to get detached from. All of this ‘holy order’ in our lives, being trustworthy and acknowledging we can only serve one master, is a lifelong goal (and struggle) for everyone especially active in communities such as ours. It is always good and well to reflect on how we are doing with this effort. Perhaps in the coming week we can read again this Sunday’s scripture and reflect on how much ‘holy order’ we have or need to have in our family life and personal life.

Our RCIA classes resume in the coming weeks. Thanks for those names and prayers of special people who are being called to explore the Catholic faith. There is always room for more and during these first several weeks of “Inquiry” we discern individually “how and if” this is what God is calling us to do. Please continue to pray, and if you know of someone you would like us to invite, contact the parish office.

This weekend we also welcome several visitors to our community as part of the Corvette Funfest, an annual event for the Effingham area. We are glad you have taken time to pray with us as you enjoy your visit.

If we look at the calendar, we also see that Summer is officially changing into Fall. While temperatures change and the colors of the trees and landscape invite us to spend some time outdoors, all creation reminds us that change can bring much beauty. And yes, God is in charge of it all! May we enjoy ‘holy moments’ this week and continue to pray for each other.

Deacon Joe (Pat) Emmerich

**October Pew Counts**

Every October, parishes across the diocese obtain a head count at all Sunday masses, which includes four weekends, in order to determine how many parishioners attend weekend masses. Please make plans to attend Mass at St. Anthony's church in the month of October.

**Men, it's not too late!** Join us each Friday morning at 6:15 in the St. Anthony Parish Center as we continue our series, The Vision Of Man Fully Alive by TMIY. This is a new series with 9 different speakers and the goal of the series is to help us become the man God wants us to be. There is more information in the back of Church. Be great if you could join us.

**Financial Peace University**

Planning for the future is hard when you’re still paying for the past! Join Financial Peace University group, and learn how to succeed in paying off your debt and making a plan for the future! You are invited to St. Anthony Parish Center on Wednesday, Sept. 25, at 7:00pm, to gather more information and to get your discounted kit ($75, typically $130). This is a nine week course and officially starts on Wednesday, Oct. 9, from 7:00pm to 8:30pm. Message April Ritz at 217-343-0212 for more information. It is a great workshop for all ages and for those who will soon be married.

**Sacrament of Baptism:** Baptisms are celebrated during Mass on Saturdays & Sundays (not during Lent or Advent). A family must be registered & actively living their faith at St. Anthony Church for 6 months to assure faith will be shared with the new born child. Godparents must also be registered in a Catholic parish or other Christian church & actively living their faith. A Baptism Class is held and is required for all parents. We ask that both parents attend this class together. Godparents are also encouraged and welcome to attend. For more information, please call the parish office.

### Scrip News

Did you know…

St. Anthony Church sponsors a Scrip program which allows you to purchase gift cards for local and national businesses. The gift cards you purchase through this program generate rebates from the participating retailers for St. Anthony schools. The Scrip program currently contributes approximately $20,000 to the parish’s annual budget.

As part of utilizing the Scrip program and store you can sign up to have a portion of your rebates from the Scrip store go towards your tuition costs. If you don’t have children in school you can have your portion go to another family to help with their tuition costs. Or you can apply your rebate as a donation to the St. Anthony Schools Annual Fund or to the St. Anthony GS/HS Scholarship Fund.

So instead of using cash, check or credit card at some local and national businesses, consider purchasing gift cards from the Scrip program and you will be donating to St. Anthony Schools.

The Scrip store is in the Parish Center and is open on Tuesdays, Thursdays and Fridays 9am – 1pm. On Saturdays from 9 – 11am and on Sundays from 10 – 11am. You can also shop online at ShopwithScrip.com and still be donating to St. Anthony Schools. The Scrip Store is run by volunteers and will always welcome any adult who would like to help!

**Experiencing infertility?**
For couples dealing with infertility, be aware of “treatments” that destroy life. Some procedures are problematic for multiple reasons. For example… *in vitro* fertilization (IVF) often involves the tragic loss of human life. Children in the embryonic stage are frequently discarded—or frozen—without ever being implanted into their mother’s womb. And if multiple babies are implanted, doctors may suggest performing a “fetal reduction” by killing one or more to increase the survival chances of the strongest child in utero. While a baby might eventually be born, his or her tiny siblings may be destroyed in the process.

Did you know there are medical options consistent with Church teaching that have statistically significantly higher rates of achieving pregnancy than IVF? Learn about these, fertility awareness practices, and other treatments that also respect your marriage and any children who may be conceived.

To learn more, look at the full USCCB article including listed resources by searching “Seven Considerations While Navigating Infertility” on the Internet.

**MEDIA CENTER - CD featured this month!**

The Crisis of Happiness - CD. When you hear the word “addiction”, what typically comes to mind? Needles? Alcohol? Pills?

As Jim Owens, MA, LPC explains, addiction is much simpler, including everything from substances to technology, screen time, work, shopping, and even sugar. Addictions and distractions are used to manage pain—but in the process, end up damaging our brains, our relationships, and our ability to find lasting happiness. Jim gives scientific evidence and practical advice for overcoming wounds, to help hurt people become healed people.
